

NORTH BONDI RSL

Dear Fellow Members,

Thank you to everyone who made the trek to the Club on Saturday to have their say in the election of Directors. It was a terrific turnout considering the weather and I am pleased to advise that our platform of Diversity, Experience and One Team has met with your approval. Many of you may have seen social media posts or heard of the outcome and I wanted to formally advise of the elected members that will be your Club Directors for the next 2 years:

President – Martyn Bell

Vice President – Paul Koerber

Director – Rachel Coghlan

Director – Mary Anne Cronin

Director – Wendy de Graaf

Director - Fred Alderman

Director - John Ferguson

I would like to make special mention of Life Member John Heapy for his 21 years unbroken service as a Director of the Club. John decided to stand down at this AGM to allow him to pursue his own and family interests. John has seen it all and has made numerous first-class contributions over these many years. His unfailing efforts to always put the interest of members, staff, and the Club above all else is legendary stuff. He is a true and loyal servant of the Club and rightly deserves to take a major place in the history of Club leadership and direction. On your behalf, I simply say – Thank You John – your place with us in North Bondi RSL Club annals is there forever.

Director John Ferguson is absent

During the AGM there were also two pieces of heartwarming business that were approved, namely:

- The endorsement of the Board recommendation to award Life Membership to Fred Alderman in recognition of his stellar long service to the Club, in an official and unofficial capacity, and for his extraordinary work to continue to campaign for veterans and for the well being of all Club members over the course of many years.
- The endorsement of the Board recommendation to award Platinum Membership status (Club member for 20 years!!) to these Members:

Karen Largey	Leslie Smith	David Carr	Ingrid Daniels
Grant Turnbull	Dawn Howes	Wayne Howes	Richard Doerner
Leslie Roberts	David Hosken	Peter Hawthorne	Stephen Caredes
Judy Hyland	Juanita Marusich		

Finally, as you have heard from me recently, your Club is in fine shape and is well placed to cope with the current challenges and continue to strengthen for the future. That is primarily due to your support and tenure – this allows our iconic club at Bondi's famous beach strip, under the emblem of the RSL, to be the venue of choice for our serving women and men, our veterans and our community.

Stay safe and thank you for your support.

Martyn Bell

President
