

NORTH BONDI RSL

Dear Fellow Members,

Hello everyone and welcome to our end of year update. 1st December and yes...Summer is officially here! Time for all of us to celebrate and make the most of the festive season !!

We are managing, with your fabulous cooperation, the time and space constraints that are still with us – so remember - after your swim come on in and cool down with our fresh summer menu and awesome specials! Book early to avoid disappointment. Don't forget if you get peckish on the beach, you can order takeaway from the bistro - mryum/nbrsl.com.au - Give it a try!

And we are still running our weekly giveaway...here are pics of recent winners:

All you have to do is follow @northbondirsl on insta and tag us when you're having fun at the Rats!

Many of you will have noticed the new ANZAC Garden outside the club – most plants have been sourced with a link or reflection of why this is such an important day in our calendar. A huge thanks to the Coastal Garden team from Waverley Council for their work, which was of course at the behest of

the Sub Branch – we are very much looking forward to seeing it prosper and be in amazing shape for 25 April 2021.

As you are aware your Club is focussed on you and as a member based organisation we operate on a “not for profit” basis. This last year has been full of challenge – we were closed for 10 weeks and we are still under NSW Government limited capacity policy thus we would love you to visit the club so we can continue to maintain our rightful place of entertainment choice in the local community whilst and ensuring we continue to give back where we can. Check again on our website to see our donations we have given locally this year.

If we all **Keep it Local** it will be fun so.....book your Christmas party, end of year office lunch or friends' holiday get-together now to ensure you get your date of choice in December and January !! Remember if you can't book a table at a time of your choosing try our great takeaway menu for food and drinks as mentioned above. Oh – and why not drop in breakfast on weekends from 10am! Our member discounts for food and beverage are still available and of course our happy hour and weekend afternoon specials are there to allow you to celebrate the festive season!!

Finally, may I say a massive thank you to you all for your patience and support as we navigated the challenges in 2020 – we can put that behind us and look forward to a great 2021! I trust you are looking forward to family holidays, a great Christmas and a superb new year celebration!! Whatever you are up to, please stay safe and take care as ever.

See you at the Club and happy Summer !!

Martyn Bell
Club President
