

North Bondi RSL has decided to permit entry only to fully vaccinated people. The Club made this decision for the following reasons:

- The Club has a duty to ensure the health and safety of staff and customers under the *Work Health and Safety Act 2011 (NSW)*, and under general law.
- Those who are not fully vaccinated have a higher risk of transmitting the coronavirus to workers and patrons.
- Subclause 1.3(f) of the *Public Health (COVID-19 General) Order 2021* states “the risk [to public health in NSW] is from and among people who remain unvaccinated because these people are more likely to be infected, more at risk of severe illness and death resulting from infection with SARS-CoV-2, and more likely to transmit the infection to others, than fully vaccinated people”.
- After careful consideration, the board of North Bondi RSL have decided to allow access to the Club, only for fully vaccinated people or those with an approved medical exemption until 31<sup>st</sup> January 2022, at which time, this policy will be reviewed by the Board.
